INTRODUCTION

A leading UAE technology integrator and IT hardware provider.

"We simplify complex technology through global partnerships and deep local regulatory expertise."

PrimeNet Solutions FZC is a Sharjah-based technology integrator with a passion for delivering innovative, reliable, and secure IT infrastructure. Since our inception, we have helped businesses across the UAE navigate digital transformation with confidence.

Our team combines **global technical expertise** with **local regulatory knowledge** to provide solutions that are not only cutting-edge but also fully compliant with UAE standards. We believe in long-term partnerships — our clients trust us to design, deploy, and maintain systems that drive efficiency, security, and growth.

Global Standards

Best-in-class hardware & support from world leaders.

UAE Compliant

Secure solutions aligned with UAE regulations.

WHY CHOOSE US?

01 — Local Expertise
Deep understanding of UAE regulatory landscapes.

02 — Global Partnerships
Access to best-in-class hardware from world leaders.

03 — End-to-End Support
From consultation & design to implementation and AMC maintenance.

End-to-End
Consult → Design → Deploy → Support

✓ Survey ✓ Design ✓ Install ✓ AMC Support

Our Core Mission & Future Vision

01

Our Core Mission

To simplify complex technology and deliver integrated solutions that improve business performance and support regulatory compliance in the UAE — connecting infrastructure, networks, security and software into one reliable system.

Focus on practical implementation, operational efficiency, and secure environments that meet UAE regulations and industry standards.

Efficiency | Security | Compliance

02

Future Vision & Growth

To be the **most trusted technology partner in the UAE** — known for reliable solutions, strong system integration, and consistent results.

We help organizations adopt modern infrastructure, secure networks and scalable technology that improves performance and keeps them competitive.

Innovation First

Practical, future-ready technology choices.

Long-term Partnerships

Responsive support you can rely on.

AE

UAE Digital Growth

Contributing to the UAE's digital economy.

Ready to build a secure, scalable IT foundation?

Talk to our team today — site survey to AMC, we handle it all.

AREA OF SPECIALIZATION

Three pillars. One integrated partner.

NETWORKING & IT INFRASTRUCTURE

Design • Deploy • AMC

Core Infrastructure

End-to-end network design, server/storage systems, secure data centre builds.

Implementation & Support

Site surveys to ongoing Annual Maintenance Contracts (AMC).

Compliance & Integration

Engineered for UAE regulatory standards across all projects.

ADVANCED SECURITY & BIOMETRICS

Surveillance • Access

Physical & Digital Security

Integrated surveillance + networking for secure, reliable infrastructure.

Regulatory Access Control

Biometrics meeting strict UAE standards, audit trails & secure access.

Design to Long-Term Support

Full lifecycle services from survey to AMC for system reliability.

SERVER & DATA STORAGE SOLUTIONS

Enterprise • Sovereignty

Enterprise-grade Servers

High-demand servers & storage arrays for business applications.

Complete Lifecycle Support

Site surveys, installation, and AMC contracts.

Data Sovereignty

Tailored for security, sovereignty & regulatory compliance in the UAE.

Laptops & Workstations • Peripherals & Printing • Cabling & Power

One Partner. Total Solution.

BRANDS WE DEAL WITH

World-class brands.

Locally delivered.

We partner with global leaders in networking, security, computing and peripherals — so you get genuine hardware, full warranty and expert integration.

FORTINET SECURITY	**CISCO** NETWORKING	**HIKVISION** SURVEILLANCE
Canon PRINTING	**eSSL** BIOMETRICS	**EPSON** PRINTING
D-Link NETWORKING	**CP PLUS** SECURITY	**LS Cable** CABLING
ZKTeco BIOMETRICS	**HP** COMPUTING	**Dahua** SURVEILLANCE
Microsoft SOFTWARE	**Dell** COMPUTING	**intel** PROCESSORS
AMD PROCESSORS	**Lenovo** COMPUTING	**Samsung** DISPLAYS

Need a specific brand or model? Tell us your requirement — we'll source, deliver & support it. +971 52 608 1576 →

PrimeNet SOLUTIONS

Expanded capabilities for growing businesses

Now delivering Websites & Invoicing Software

Building on our enterprise infrastructure, security and storage practice, PrimeNet Solutions now offers complete digital services for UAE businesses — from your online storefront to your back-office billing.

Website Creation & E-Commerce

- **Design & Development**
  Fast, responsive corporate websites and portals built on clean, scalable code.
- **E-Commerce & Bookings**
  Online stores with secure UAE payment gateways, reservations, and customer portals.
- **Hosting & Care Plans**
  Domain/hosting setup, security patches, updates, and ongoing content support.

Invoicing & Accounting Software

- **Billing & VAT Compliance**
  FTA-compliant VAT invoicing, quotations, and credit notes with Arabic/English templates.
- **Inventory & Automation**
  Stock control, purchase orders, recurring billing, and multi-branch reporting.
- **Implementation & Training**
  Data migration and staff training.
